

Are you or is someone you know struggling with **substance abuse** or **addiction**?

Not sure where to turn for help?

We are here for you, 24/7.

The Suffolk County Department of Health Services has partnered with the Long Island Council on Alcoholism and Drug Dependence (LICADD) to operate a **24/7 hotline** that will connect callers to treatment services. LICADD works collaboratively with the Suffolk County Communities of Solution (COS) provider network to ensure timely access to quality substance abuse care.
