III. TABLED PERMIT APPLICATIONS

A. BRANDYWINE TRUST COMPANY, TRUSTEE FOR THE FONSECA 2010 FAMILY TRUST AND THE FONSECA QTIP TRUST, (f/k/a TRUSTEE FOR THE RICHARD CORNUELLE 2010 MARITAL TRUST)

149 Long Lane, East Hampton North, Town of East Hampton

Tax Map #: 0300-157.00-03.00-011.004 (28.7 ± acres)

The applicant seeks a Special Use Permit for the installation and maintenance of a drainage structure, in association with a commercial agricultural operation. The land has been excavated and soil was removed from the premises prior to submission of this application. (Application No. 2012025)

Sarah requested that the representatives of the Town of East Hampton and the Fonseca Family provide an update to the Committee regarding their efforts to address the above-referenced matter.

Jeff Bragman, Attorney for the Fonseca Family, provided an update on the progress made. Mr. Bragman stated that they hired an engineer to calculate approximately how much soil was excavated and removed from the subject property. Mr. Bragman stated that according to their engineer's estimates, the amount of soil removed was much higher than what the County and Town resolved to settle their differences over. Mr. Bragman stated that their engineer estimates that approximately 7,000 cubic yards were removed, whereas the Town's previous estimate was approximately 4,500 cubic yards. In addition, their engineer estimates that the depth of top soil removed ranged from 4 to 8 feet. Mr. Bragman stated that in light of this new information, the resolution that they planned on getting 2 feet more top soil back was inadequate. Mr. Bragman stated that he met with Peter Von Scoyac and suggested to him that they could go along with the Town replacing 4 feet of top soil which is considerably less than what was removed but considerably more than what the plan called for. Mr. Bragman said that he had requested two things from the Town for the purpose of assessing the plan and addressing any safety concerns: 1) cross sections of the drainage plan and 2) front elevation of the sump plan. Mr. Bragman stated for the record that he will be filing on behalf of the Fonseca Family a motion to late file a notice of claim which would be a preliminary step to suing the Town. Mr. Bragman stated that they do not intend to sue the Town since they're relying on the negotiations they're engaged in, rather they are making the Town and County aware of that fact that they have the right to move to file a notice of claim.

Peter Van Scoyac, Deputy Supervisor for the Town of East Hampton, stated that it's not an unwillingness to provide the information requested by Mr. Bragman, but that the information doesn't exist currently and they're trying to see if they can manufacture it. Mr. Van Scoyac stated that it is the intention to accommodate the Fonseca Family and try to resolve this to everyone's satisfaction.

Chairman Sarah Lansdale stated on behalf of the Committee that having heard discussions for several sessions now, it would be the Committee's strong desire to have an application if the Fonseca Family and the Town agree to have something before the Committee for the upcoming November meeting. Further, Ms. Lansdale requested as documentation that Jeff Bragman email her his current request for information from the Town with a copy to the Town.

A motion was put forth to table the application by Howard Johnson, and seconded by Al Kilb. Motion carried: 14-0-0.

I. PERMIT APPLICATIONS

A. SYLVESTER MANOR EDUCATIONAL FARM, INC.

Manhasset Road, Shelter Island Heights, Town of Shelter Island

Tax Map #: 0700-008.00-01.00-005.005 and 0700-008.00-01.00-005.008 (83.5 ± acres)

The applicant seeks a Special Use Permit to allow a temporary driveway and parking on PDR land for cars to access a one-day harvest festival occurring off-site, in association with a commercial agricultural operation. (Application No. 2014008)

Mr. Amakawa presented the Staff Report.

A motion was put forth by August Ruckdeschel, and seconded by Eugene Murphy, to adopt the Staff Report for Application No. 2014008, as amended, and to approve the Special Use Permit request, as outlined in Committee Resolution FC-21-2014. Motion Carried: 15-0-0 [See Exhibit "B" for Committee Resolution FC-21-2014].

II. NEW PARCELS PROPOSED FOR PDR ACQUISITION INSIDE THE BI-ANNUAL REVIEW PERIOD

A. OTTO LOHWASSER GREENHOUSES

477 Moriches Middle Island Road, Manorville, Town of Brookhaven

Tax Map #: 0200-675.00-02.00-021.001 (3.7 ± acres)

The applicant requests that the above referenced parcel be considered for inclusion in Suffolk County's Purchase of Development Rights Program inside the designated bi-annual review period. (Application No. ARP-2014-01)

The property received a rating score of 10 points out of a possible 25 points.

Mr. Amakawa presented the proposed acquisition.

Josephine and Otto Lohwasser submitted a final plan to the County that was dated and signed on August 7, 2014 indicating that they would remove the existing greenhouse structures and parking areas in excess of the 15% maximum lot coverage allowed. Staff recommended approval of the subject property consisting of 3.7 acres subject to the following two conditions: 1) Prior to closing, the landowner remove all excess structures and parking areas and submit a survey to the Suffolk County Division of Planning & Environment confirming that the 15% maximum lot coverage requirement has been met; and 2) Prior to closing, the landowner remove materials which are not directly related to the Commercial Agricultural Operation.

Some questions and concerns were raised by Committee Members and the landowners were present to answer their questions. Dale Moyer asked whether soils on the eastern side of the property had been removed. Otto Lohwasser advised that while some soil was relocated onsite for drainage purposes, none had been removed from the subject property. Lee Foster asked what the landowner planned to grow on the portion of the property where greenhouses would be removed since the removal of greenhouses would appear to eliminate his ability for a value added crop. Mr. Lohwasser stated his intent to grow mums, cabbage, kale and other plants on the remaining portion of the property not covered by greenhouses.

A motion was put forth by Al Kilb, and seconded by Nate Corwin, to recommend SCRPTM# 0200-675.00-02.00-021.001, consisting of 3.7 acres in size, for consideration by the Suffolk County Legislature (Legislature) for inclusion in the Suffolk County Purchase of Development Rights Program as outlined in Committee Resolution FC-22-2014. Motion

B. PETER & SANDRA MEYER / "MEYER'S PLANT & PRODUCE"

4184 Middle Country Road (S.R. 25), Calverton, Town of Riverhead
Tax Map # 0600-098.00-01.00-005.000 p/o (45.8 ± of 49.8 ± acres)

The applicant requests that the above referenced parcel be considered for inclusion in Suffolk County's Purchase of Development Rights Program inside the designated bi-annual review period. (Application No. ARP-2014-05)

The property received a rating score of 15.5 points out of a possible 25 points.

Mr. Amakawa presented the proposed acquisition.

A motion was put forth by Mark Zaweski, and seconded by Bob Nolan, to recommend part of SCRPTM # 0600-098.00-01.00-005.000 p/o, consisting of 45.8 acres out of 49.8 acres in size, for consideration by the Suffolk County Legislature (Legislature) for inclusion in the Suffolk County Purchase of Development Rights Program as outlined in Committee Resolution FC-23-2014. Motion Carried: 15-0-0 [See Exhibit "D" for Committee Resolution FC-23-2014].

C. GERALD SIMONE & PETER SCHEMBRI / VILLAS AT ROANOKE, LLC

Sound and Roanoke Avenues, Baiting Hollow, Town of Riverhead
Tax Map #: 0600-017.00-01.00-006.000 (16.1 ± of 27.1 ± acres)

The applicant requests that the above referenced parcel be considered for inclusion in Suffolk County's Purchase of Development Rights Program inside the designated bi-annual review period. (Application No. ARP-2014-06)

The property received a rating score of 13 points out of a possible 25 points.

Mr. Amakawa presented the proposed acquisition.

County staff reviewed said application and recommended to the Committee approximately 11.0 acres of woodland be excluded in the form of a cut out since it currently encompasses a significant portion of the property not in agricultural production. County staff recommended to the Committee approximately 16.1 acres out of the 27.1 acres for inclusion in the Program.

The applicant's attorney, Charles Cuddy, verbally presented a modified proposal to the Committee requesting that approximately 22.1 acres out of 27.1 acres be considered for inclusion in the Program including approximately 6.0 acres in the wooded northwest corner of the property, which is now proposed for future agricultural support structures.

A discussion ensued among Committee Members and the applicant.

The applicant's attorney, Charles Cuddy, stated that the landowner would agree to file a covenant agreement that any agricultural support structure(s) (e.g., barn) for the farm would be placed within the approximate 6.0 acres northwestern portion of the currently wooded area to be included in the Program and nowhere else on the property.

The applicant's attorney, Charles Cuddy, stated that the landowner would also agree to file a covenant agreement to build no more than one residence on approximately 5.0 acres in the northeastern portion of the currently wooded northern area that is to be cut out with development rights intact.

A motion was put forth by Howard Johnson, and seconded by Alex Balsam, to recommend part of SCRPTM# 0600-017.00-01.00-006.000 with the two above-stated covenant

agreements, consisting of 22.1 acres out of 27.1 acres in size, for consideration by the Suffolk County Legislature (Legislature) for inclusion in the Suffolk County Purchase of Development Rights Program as outlined in Committee Resolution FC-24-2014. Motion Carried: 15-0-0 [See Exhibit "E" for Committee Resolution FC-24-2014].
