

Suffolk County Department of Health Services Opioid Overdose Prevention Program NARCAN Training Class

This class equips you with all the tools necessary to save the life of an overdose victim. It's safe, the class is free and open to everyone. This training meets NY State Department of Health requirements and includes recognition of opioid overdose, administration of intranasal NARCAN, and steps to take until EMS arrives. Participants will receive a certificate of completion and an emergency resuscitation kit that includes NARCAN.

This program is made possible with the support of:

- Youth Enrichment Services
- Suffolk County Legislator Tom Cilmi
- Suffolk County Department of Health Services
