6th Grade Science Fair

Legislator Tom Cilmi is shown with Navya and her mother, Shweta Gautam.

Suffolk County Legislator Tom Cilmi is shown with Hauppauge Middle School's 6th grade student, Navya Gautam, at a meeting of the Suffolk County Legislature on June 6th where she was honored for placing first in the 6th Grade level at the annual Brookhaven National Laboratory Science Fair.

Legislator Cilmi said, "It is always inspirational to see young people excel. Navya's research project, "Does Shape Matter," sought to determine whether or not shape effects energy production in solar panels. She found that shape does, in fact, matter. Ms. Gautam is a bright young lady with a bright future. Congratulations go to her, her family and her teachers."
