## **LEGISLATOR CALARCO ATTENDS OPERATION SAFE STOP DAY AT LONGWOOD HIGH SCHOOL**

**Middle Island, NY** – Yesterday Majority Leader and Legislator Calarco attended “Operation Safe Stop Day” at Longwood High School with Longwood students, members of the Suffolk County Police and elected officials.

“More than 50,000 times each day a motorist illegally passes a stopped school bus,” said Majority Leader Rob Calarco. “That means every day children are at risk for injury or death because motorists did not stop. I urge everyone to stop and wait for children to disembark safely before they continue driving. It’s up to all drivers to make children’s safety our number one priority.”
