PROPOSED NY ROUTE 112 SAFETY AND MOBILITY IMPROVEMENT PROJECT

LONG ISLAND EXPRESSWAY (LIE/I-495) TO GRANNY ROAD

Wednesday, March 30, 2016

Informational Open House: 5 p.m. – 9 p.m.

Formal Public Hearing: 6:30 p.m. – 8 p.m..

Brookhaven Town Hall

1 Independence Hill

Farmingville, New York 11738

The New York State Department of Transportation (NYSDOT) is seeking input from residents, local groups, business owners and public officials regarding the proposed NY Route 112 Safety and Mobility Improvement Project between the Long Island Expressway and north of Granny Road in the Town of Brookhaven, including the reconstruction of the Horseblock Road and NY Route 112 intersection. NYSDOT's proposed plans to reconstruct this section of NY Route 112 will be available for review. NYSDOT representatives will be on hand to address questions and receive comments on the proposed project. Copies of the draft design report are available for public review at the following libraries: Middle Country Public Library in Selden; Sachem Public Library in Holbrook; Longwood Public Library in Middle Island; and Patchogue-Medford Public Library in Patchogue. The draft design report can also be accessed at <https://www.dot.ny.gov/rt112>.

A Spanish translator and Spanish interpreter will be available.

To provide written comments, or for information about the public meeting, contact:
