### **In the aftermath of Super Storm Sandy, DuWayne wants to know: *"Is Your Bank Not Releasing Your Insurance Money?"***

AMITYVILLE, NY— even after Sandy's high waters receded, some residents going through the arduous process of rebuilding their homes now find themselves being traumatized all over again. But this time because they are having difficulties getting their bank to release their insurance money.

To determine just how wide spread this problem is and if homeowner protections are needed, Suffolk County Legislative Majority Leader and 15<sup>th</sup> district legislator DuWayne Gregory (D-Amityville) wants to know if your repairs are being held up because your bank has not yet allowed you to access your insurance money.

If you've experienced this problem DuWayne urges you to contact him, regardless of where you live in Suffolk County. You can call DuWayne's office at (631) 854-1111, or you can email him directly at [duwayne.gregory@suffolkcountyny.gov](mailto:duwayne.gregory@suffolkcountyny.gov).
