## **Meet the Religious Leaders**

### **Gregory hosts clergy roundtable with district ministers**

**AMITYVILLE, NY**—Today Suffolk County Legislative Majority Leader and 15th district legislator DuWayne Gregory (D – Amityville) hosted a clergy roundtable breakfast at Saint Boniface Episcopal Church with 12 of his district’s religious leaders. With representatives from most of the major faiths in the district in attendance, Gregory put on the event as a listening and brainstorming workshop.

“I’m really honored to have to have met with all these wise leaders today and I’m even more honored to represent them and their parishioners every day in County government,” says Gregory. “I don’t think government does, or even should, have all the answers to society’s ills. By getting the chance to listen to these ecclesiastics about their concerns for our communities and dialogue with them on how we can continue to address those problems, is an opportunity for me to affect the kind of change I can’t do all by myself.”
