PRESIDING OFFICER GREGORY MEETS WITH MELVILLE CHAMBER OF COMMERCE

Amityville, NY – Suffolk County Legislature Presiding Officer DuWayne Gregory recently addressed members of the Melville Chamber of Commerce at their Business Breakfast Series event. The Melville Chamber of Commerce is comprised of over 300 companies in Melville, Huntington Station, East Farmingdale and West Babylon.

Presiding Officer Gregory spoke about the importance of government working together with the business community. Members of the Melville Chamber, led by President Michael DeLuise, work together with a goal to stimulate, expand and support local businesses.

“It was a real pleasure to meet with business owners and to express to them that we in Suffolk County government recognize their contribution to moving our economy forward,” said Presiding Officer Gregory. “We all know a thriving business community is key to economic development. The Melville Chamber is a solid organization working hard to support their members. I am committed to doing whatever we can at the county level to help businesses to prosper, including streamlining our permitting process to allow new businesses to start up quickly.”
