PRESIDING OFFICER GREGORY ATTENDS 'POSITIVE WYANDANCH MEN' DINNER

Amityville, NY – Suffolk County Legislature Presiding Officer DuWayne Gregory attended the Positive Wyandanch Men Awards Dinner on Thursday, April 30 at the Wyandanch Youth Center.

Positive Wyandanch Men is a program established to preserve the mission of building up Wyandanch by acknowledging and celebrating the positive attributes of men in the community. Among this year's honorees were doctors, pastors, entrepreneurs, sports figures and community leaders.

“Wyandanch is a small community and often times familiarity sets in and many positive contributions are overlooked,” said Positive Wyandanch Men Chairperson, Rodney Jones. “Providing our youth with positive role models that are within our community, who have walked in their shoes and have overcome challenges provides a sense of hope and aspiration that aspires them to achieve. Positive Wyandanch Men

are successful from within because they have survived. Despite the challenges they are still standing, persevering and making a positive contribution to the Wyandanch community.”

“I am a proud supporter and proponent of the Positive Wyandanch Men and all their organization does,” said Presiding Officer Gregory. “Highlighting and honoring the positive achievements of its residents has a true impact on the Wyandanch community.”
