Boy Scout Troop 84 has a long and prominent history in the Amityville community, with 46 members reaching the rank of Eagle Scout since 1949. Since the inception of the Eagle Scout award in 1912, only about 2 percent of eligible Scouts have earned this honor. Scoutmaster Frank Smisek has led the troop for over 16 years.

“I would like to thank Presiding Officer Gregory and Assemblywoman Jean-Pierre for all they do,” said Scoutmaster Frank Smisek. “The troop is very grateful for the support of their elected officials.”

“It was a privilege to present our future leaders of tomorrow the Boy Scouts of Troop 84 with an American flag,” said Assemblywoman Jean-Pierre. “To these young men, I would like to say a special thank you for your commitment to community service and may your dreams and success fly as proud as our nation's flag.”

“I want to take this opportunity to commend Scoutmaster Frank Smisek for his long-standing dedication to the youth of Amityville and Copiague,” said Presiding Officer Gregory. “Assemblywoman Jean-Pierre and I look forward to seeing Troop 84 proudly display this flag at future parades and events.”
