HAUPPAUGE, NY – Legislator Steve Stern (D-Huntington, 16th L.D) welcomed Brentwood High School student Julian Santiago-Brown Priceman to sing our National Anthem before the Suffolk County Legislature at the March 18th General Session of the Legislature.

Priceman has graced the stages of world-renowned performance venues, including Lincoln Center and Carnegie Hall, as a member of the Metropolitan Youth Orchestra. He has also been selected for the All-County Choir and All-County Orchestra, in which he plays the viola, by the Suffolk County Music Educators' Association (SCMEA). In addition, the high school senior scored a perfect 100 at the New York State Music Association (NYSMA) All State conference.

Among his musical achievements, Priceman also serves as President of the Jazz Choir, is a member of Tri-M (Music Honor Society) and played the starring role in several school musicals.

“It is my pleasure to welcome Julian Santiago-Brown Priceman to the Legislature to perform our National Anthem,” Legislator Stern said. “His hard work and dedication to his craft is evident and his talent and spirit brings great pride to us all.”
