**HUNTINGTON, NY** –Suffolk County Legislator Steve Stern (D-Huntington) 16<sup>th</sup> LD, Chairman of the Veterans Committee, participated in the “22 Push-Up Challenge,” sponsored by Signature Premier Properties to raise awareness of the tragic crisis of veterans’ suicide. Every day, 22 of our veterans take their own lives, many as a result of Post-Traumatic Stress Disorder (PTSD).

Signature Premiere Properties is sponsoring the month-long challenge and has pledged to donate up to \$100,000 to Veterans charities. The more push-ups completed, the more Signature will donate. “As Chairman of the Veterans Committee of the Suffolk County Legislature, I have the honor of working with and for the brave men and women who have sacrificed so much to protect our great nation and the freedom that we treasure,” Legislator Stern said. “Many of our veterans and their families have been impacted by PTSD, and we

owe them all not just our gratitude, but meaningful support and the resources that they need. I applaud and thank the owners of Signature Premier Properties for their commitment to the well-being of our veterans and for their generous donations to support them.”
