

# Go Blue!

JOIN THE FIGHT AGAINST COLON CANCER

*We went Blue. You can too...*

# Get Screened

**Colon cancer** is the second leading cause of cancer related death in the United States, and that ought to make you mad, because colon cancer is preventable, treatable and beatable.

**Join the "Go Blue" Campaign**  
Get screened, and get somebody else to get screened, too. Help us make colon cancer history.  
**Call Today: 631-548-6320**
