## **Legislative Committee Meetings Scheduled for East End**

### **Committees Will Meet in the County Seat for the First Time in Decades**

The first round of the Suffolk County Legislature's committees scheduled to convene on the East End will be held Monday through Thursday during the week beginning May 2, 2016.

After lobbying his colleagues since the beginning of his tenure in the Suffolk County Legislature, and more recently with the support of South Fork Legislator Bridget Fleming and the Legislature's Presiding Officer, DuWayne Gregory, Legislator Al Krupski is gratified an agreement was reached early this year to hold two rounds of committee meetings in the County Seat during 2016 legislative cycle.

"This is a great victory for residents of the East End", said Legislator Krupski. "Previously, some of my constituents would have to travel for ninety minutes and up to 60 miles in one direction to speak for three minutes in the committee setting and it is ever more onerous for some South Fork residents. Holding meetings in Riverhead will give constituents living on both the North and South Forks the opportunity for better access to the legislative process, a key factor in a functioning democracy. I encourage residents of the East End to exercise this right."

The East End Legislative Committee meetings will be held at the Maxine Postal Legislative Auditorium located in the Evans K. Griffing Building, [300 Center Drive in Riverhead](#). An additional round of meetings is scheduled to take place in Riverhead for the week of August 29 to September 2, 2016.

A source of some confusion is the fact that although the address of the Riverhead Legislative Building and the County Seat are listed as being in Riverhead and it is geographically close to downtown Riverhead, it is technically located in Riverside in the Town of Southampton.

The schedule of the East End meetings is as follows:

#### **Monday, May 2**

[Environment, Planning & Agriculture](#) –

10:00 am

[Seniors & Consumer Protection](#) – 12:30 pm
