Anker Honors North Shore Youth Council

Legislator Sarah Anker with NSYC Executive Director Janene Gentile and Board Member Kristin McKay

HAUPPAUGE, NY – Suffolk County Legislator Sarah Anker recently honored the North Shore Youth Council before the County Legislature. Accepting a proclamation on behalf of the North Shore Youth Council was Executive Director Janene Gentile and Board Member Kristin McKay.

“This proclamation is just a small token of appreciation for the outstanding work the North Shore Youth Council provides to the children and teens of our community,” said Legislator Anker.

The North Shore Youth Council was established in 1982 by community volunteers that wanted to better family services and community education at no cost to neighbors in the area. They work in cooperation with surrounding school districts, churches, civics, and business groups to help gain awareness and support of their programs throughout the community. The North Shore Youth Council offers services for youth and family counseling, Big Buddy/Little Buddy, School Aged Child Care Programs, Summer Recreation Programs, and numerous other services.

For more information on the North Shore Youth Council, visit www.nsync.com or call 744-0207.
