## Legislator Anker & Cablevision Recognize Shoreham-Wading River Students

*Legislator Sarah Anker with Global Awareness Club student member, Cablevision official Stacy Grau-O'Connor, Principal Dan Holtzman and Club Advisor Kevin Mann*

**SHOREHAM, NY** – Suffolk County Legislator Sarah Anker joined with officials from Cablevision, MSG Varsity and Power To Learn to recognize and award students from Shoreham-Wading River High School’s Global Awareness Club a \$1,500 grant for participating in *Charity for Champions*. The program promotes high school students to engage in volunteer work and encourages fundraising for charities.

“I along with MSG Varsity and Cablevision recognize the commitment of these young people and I thank every student involved in the *Charity Champions* program for their enthusiastic support of the Hope Children’s Fund,” said Legislator Anker. “It is heartening to see young people committed to helping children in an area where aid is so desperately needed.”

Founded in 2003, The Hope Children’s Fund furnishes food, clothing, shelter and medical care for children in Kenya. The Global Awareness Club will receive \$1,000 from Power To Learn that will be directed to the Hope Children’s Fund and the club will receive \$500 to continue to advance the students’ efforts.
