Anker & County Legislature Celebrate 100 Years of Girl Scouts

The Suffolk County Legislature with Girl Scouts of Suffolk CEO Yvonne Grant and Director of Development Mary Garrote

HAUPPAUGE, NY – Suffolk County Legislator Sarah Anker joined with her colleagues in presenting a proclamation to the Girl Scouts of Suffolk County at the General Meeting of the Legislature on March 27. The Girl Scouts of America, founded in 1912 by Juliette Gordon Low, is celebrating their 100th anniversary this year.

“As a former scout leader, it is my pleasure to honor the Girl Scouts and celebrating their 100 year anniversary,” said Legislator Anker. “Their commitment, dedication and service to Suffolk is greatly appreciated and I’m sure they will continue that mission for the next 100 years.”

The Girl Scouts of Suffolk County has served more than 40,000 girls and 9,000 adult volunteers since 1968- making it the largest youth-serving agency on Long Island. For more information on the Girl Scouts of Suffolk County, visit www.gssc.us/
