**MILLER PLACE, NY** – Suffolk County Legislator Sarah Anker participated in a fundraiser for the Rocky Point VFW on March 31 at Applebee's in Miller Place. The pancake breakfast was attended by several hundred residents. The proceeds will go towards purchasing a bronze statue of a German Shepard for Diamond in the Pines Park in Coram to commemorate the 9/11 rescue dogs.

"It was my pleasure to support the Rocky Point VFW and I enjoyed serving breakfast to those who attended," said Legislator Anker. "Joe Cognitore, Rich Acritelli and the many volunteers who help create awareness about those who have sacrificed to protect our country deserve much recognition for their heartfelt efforts."
