ROCKY POINT, NY – Suffolk County Legislator Sarah Anker attended the opening day of the North Shore Little League on April 14. Along with opening day ceremonies, the teams participated in a parade to kick off their season.

“We had perfect weather for the North Shore Little League opening day,” said Legislator Anker. “With parental encouragement, kids are provided the opportunity to participate in healthy activities that teach them sportsmanship and teamwork.”

The North Shore Little League runs various age and skill appropriate baseball and softball divisions. For more information, go to www.nslweb.com or call 744-3355.
