**WADING RIVER, NY** – Suffolk County Legislator Sarah Anker attended the Shoreham-Wading River Duck Pond Day on May 20th. Beginning with a parade that started at Wading River Elementary School and ending at the duck pond, a brief ceremony followed where Legislator Anker presented a certificate of appreciation to Hope Children's Fund and the Shoreham-Wading River High School Global Awareness Club for their humanitarian efforts.

"I am very supportive of Hope Children's Funds efforts in helping those who are greatly in need. Not only is Hope Children's Fund providing support, but they provide a way for students to see first-hand and participate in helping others across the globe," said Legislator Anker.

Since 2002, Hope Children's Fund has raised over \$200,000 to help support their mission of providing shelter and education for street children in Kenya. For more information on Hope Children's Fund visits [www.hopechildrensfund.org](http://www.hopechildrensfund.org)
