**HAUPPAUGE, NY** – Suffolk County Legislator Sarah Anker presented proclamations to the Shoreham Wading River High School Global Awareness Club and Hope Children's Fund at the General Meeting of the County Legislature on June 5th.

"The Global Awareness Club and Hope Children's Fund are to be commended for their tireless work on providing shelter, food, education and medical care for children in Kenya," said Legislator Anker. "It is heartening to see young people committed to helping children in an area where aid is so desperately needed."

Every February, Global Awareness Club students travel to Kenya with donations for the Jerusa Mwararia Hope Children's Home in Meru, Kenya. Since 2002, Hope Children's Fund has raised over \$200,000 to help support their mission.
