MANORVILLE, NY – Suffolk County Legislator Sarah Anker presented a proclamation to John Guido recognizing him for his community service work at St. Louis de Montfort Church of Sound Beach. He was the guest of honor at the churches annual golf outing held on June 8th at the Swan Lake Golf Course in Manorville.

“John has been an active community member of Rocky Point by serving his parish as well as coaching for the North Shore Little League for over twenty years,” said Legislator Anker. “His volunteer work is admirable and I thank him for his commitment to our community.”
