## **Legislator Anker and the North Shore Youth Council Remind Parents About Registration for Before and After School Programs**

**Rocky Point, NY** - With another school year underway, Suffolk County Legislator Sarah Anker would like to remind parents that the North Shore Youth Council is registering children for their Before and After School Child Care programs.

The North Shore Youth Council provides school aged child care programs for families in the Rocky Point, Shoreham-Wading River, and Miller Place districts. The program offers peace of mind for parents who are looking for a safe place for their elementary school children before school starts and after school ends. Children enjoy an environment that stimulates their need to learn while offering positive experiences to support them in their growth and development. They participate in age appropriate activities which include arts and crafts, story time, board games, and are provided with a place to meet friends for sports, homework help, and other recreational activities.

Registration is also available on a per diem basis. The program takes place within the child's school building.

Additionally, the North Shore Youth Council provides counseling for youth and families that reside in the Rocky Point, Shoreham-Wading River, and Miller Place school districts. Professional counselors are on staff, and evening hours are available by appointment.

Please call the North Shore Youth Council at 744-0207 or visit their web site at [www.nsync.com](http://www.nsync.com). Registration is on-going and is on a first come first served basis.
