Legislator Anker Attends Mount Sinai High School's Second Annual Turkey Trot

Mt. Sinai, NY – On Saturday, November 24, 2012, Legislator Anker joined more than 440 students, parents, staff and community members at the Second Annual Mount Sinai Turkey Trot 5K and Fun Run held at Mount Sinai High School.

Coordinated by the high school's Students Against Destructive Decisions (SADD) Club and the Class of 2013, the event raised more than \$5,000 which will be donated to Holiday Magic.

"It is truly heartwarming to see the dedication and generosity of the students," said Legislator Anker. "It is thanks to their philanthropic efforts that families in need will receive help during the holiday season."

Holiday Magic is a Hauppauge-based organization that works hand-in-hand with more than 20 Long Island not-for-profits to assist in sheltering and providing material needs to homeless children and their families. Throughout the year, Holiday Magic continues its mission by raising funds to provide supplies, equipment and goods for the unprivileged in local communities.
