## **Legislator Sarah Anker Hosts First Annual North Shore Youth Council Art Show**

**Mount Sinai, NY, February 2013—** Legislator Anker is proud to announce the first annual *North Shore Youth Council Art Exhibition* will be held at her office located at 620 Route 25A, Suite B, Mount Sinai.

The exhibit, which runs from Tuesday, February 19 through Tuesday, March 26, features artwork created by children enrolled in the council's after school program.

“It is an honor to display the talents of our local children,” said Legislator Anker. “It is my hope that this showcase will serve to inspire our young artists to continue their creative endeavors while providing them with the experience of presenting their artwork to the public. I extend an invitation to all residents to come by my office to visit the exhibit. A special reception will also be held on Thursday, March 7 from 6:00 to 7:30 p.m.”

North Shore Youth Council's Before School Care Program & After School Care program offers peace of mind to parents who are looking for a safe place for their elementary school children before and after school. Children enjoy an environment that stimulates their need to learn, while offering positive experiences that enable them to grow and develop. The children participate in a variety of age appropriate activities which may include arts and crafts, story time, and board games.
