## **Legislator Anker Recognizes Mike Burrige**

**Hauppauge, NY, May 2013** –Legislator Sarah Anker recently recognized Mt Sinai resident Mike Burrige for his work with The Building Hope for Long Island Foundation.

Since 2009, Building Hope for Long Island has worked with communities to bring aid to those whose homes present a danger to themselves and their families. As their mission statement states, "To Build Hope in Long Island communities by repairing ordinary homes for extraordinary families."

“Now, more than ever, this is one of the most meaningful causes we have on Long Island,” said Legislator Anker. “I encourage our

business owners, contractors, residents and friends to continue to support this heartwarming endeavor. Thanks to the support and generosity of this incredible organization, many families have received a safe and efficient home where they can live and raise a family”

Is a grass roots organization where community members and business owners donate their time, money and services to help refurbish the homes of homeowners in need.
