Anker Recognizes Middle Island Eagle Scout

Legislator Sarah Anker joins Middle Island Civic President Tom Talbot and Middle Island Civic Vice President Gail Bailey in congratulating Eagle Scout Justin Strunk.

Middle Island, NY – April 2014 –On Sunday, April 27th, Suffolk County Legislator Sarah Anker joined Boy Scout Troop 433 at the Middle Island Fire Department to congratulate Justin Strunk on receiving his Eagle Scout Badge.

“Justin has proven himself as a leader in our community,” said Legislator Anker. “His Eagle Scout accomplishment will set an example for younger scouts in his troop. I congratulate him on his achievement and wish him much continued success.”

To fulfill his Eagle Scout requirement, Justin completed a project at the Brookhaven Firefighters Museum which involved constructing a series of benches resembling fire trucks which will be available for children to use while viewing a televised historical overview of the museum. Acting as Project Manager, Justin supervised and assisted fellow scouts in the construction.
