## Legislator Anker Congratulates Sharks Football League

**WADING RIVER, NY; January 2014** – Legislator Sarah Anker celebrated the Long Island Sharks’ Football Brunch and Awards Ceremony on January 26 at the East Wind in Wading River. More than 800 children from the Miller Place, Rocky Point, and Shoreham-Wading River communities participate in the organization’s football and cheerleading programs.

“The Sharks Football league is a great asset to our local families, teaching our children the importance of good sportsmanship,” said Legislator Anker. “I’d like to congratulate the players, coaches, and parents for the success of this wonderful athletic program and thank them for bringing the residents of our community together.”

Established in 1996, the Sharks PAL league strives to teach its players the skills necessary to play football and cheerleading in addition to character building skills such as leadership and confidence.
