Rocky Point Fire Department 9/11 Memorial Committee Honored

Legislator Anker presents proclamations to the Rocky Point Fire Department's September 11th Memorial Committee, represented by Fire Department Chief Terry McCarrick and Fire Commissioner Stephen Tumulty.

Riverhead, NY, October 2014 – On Tuesday, October 7th Suffolk County Legislator Sarah Anker recognized the members of the Rocky Point Fire Department's September 11th Memorial Committee before the Suffolk County Legislature.

The committee was the driving force behind the newly installed 9/11 monument at the Rocky Point-Shoreham Fire Department on Route 25A. After years of volunteer service and tireless fundraising, the granite monument will soon be completed with the names of the 2,977 lives lost during September 11th.

“While the events of September 11th have forever changed our lives, through tragedy we have learned the importance of community,” said Legislator Anker. “This beautiful memorial will serve as a place for the community to reflect and remember that we must join together in times of need.”
