## Celebrating the ALS “Ride for Life” in Rocky Point

**Rocky Point, New York-** On April 30, Legislator Sarah Anker showed her support for the ALS Ride for Life at Rocky Point Middle School. Ride For Life, Inc. (RFL), a non-profit organization founded in 1997, is a patient-driven, volunteer charity, with a mission to serve and benefit the ALS community by fundraising for research, supporting patient services, and raising public awareness of ALS.

“It was a tremendous honor to recognize the participants of the ALS Ride for Life,” said Legislator Anker. “It was great to see such a wonderful turnout for this important cause.”

May is ALS Awareness Month; each year, RFL conducts a twelve-day, one-hundred plus mile patient wheelchair ride across Long Island. Along the route, schools and supporting businesses are visited; a major activity during the Ride is an iconic crossing of the Brooklyn Bridge into Manhattan. The event draws thousands of participants each year.

For more information about the ALS Ride for Life, please visit [www.alsrideforlife.org](http://www.alsrideforlife.org).
