(MELVILLE, NY... April 4, 2011) –Members of the Northgate at Melville Homeowners' Association recently invited Suffolk Legislator Lou D'Amaro (D-Huntington Station) to attend their monthly meeting to discuss issues of local concern and learn about legislative initiatives that impact them, their families and the community. Some of the topics discussed included: the County budgets, taxes, sex offenders and local development issues. Legislator D'Amaro also discussed Suffolk's recently enacted gas tax cap and his opposition to park and bus fee increases. Residents had ample opportunity to ask questions and were invited to contact Legislator D'Amaro if they had any issues for which he could be of assistance.

"It is important to hear what is on the minds of my constituents to effectively govern which is why I enjoy going out into the community and addressing residents face-to-face," Legislator D'Amaro said. "I thank the members of Northgate for their insight, interest and continuing efforts to improve the quality of life in our County."

If you would like Legislator D'Amaro to address your group or organization, contact his district office at (631) 854-4433.
