hundreds of young sluggers, including his two sons, Louis and Alexander, as the North Babylon Youth League (NBYL) opened the 2011 Little League season with its annual parade and celebration. Under the direction of NBYL President Mike Filippone, the parade for the league's 54th season, stepped off from North Babylon High School and concluded with a celebration and the ceremonial first pitch at Phelps Lane Park. As part of the opening day program, Legislator D'Amaro was named to the NBYL Hall of Honor and presented with a special plaque in recognition of his support for the league over the years.

Others attending the parade and celebration included Babylon Town Councilwoman Jackie Gordon, Babylon Town Receiver of Taxes Corinne DiSomma, Deer Park Fire Commissioner Thomas Donnelly, and several members of the North Babylon Volunteer Fire Company including newly-installed Chief George Folise, Jr.

"I always look forward to the start of baseball season and, as a parent, I am excited to see our children having fun on the fields," said Legislator D'Amaro. "I thank the North Babylon Youth League directors, volunteers, coaches, parents and the entire community for continuously supporting our players. Play ball!"
