Senior Awards Night. The award is annually presented by Legislator D'Amaro to a student who "gives of him or herself for the betterment of the school and/or the community."

In nominating her for the award, Walt Whitman Assistant Principal Jonathan Varlamos wrote: "Kelcey is a wonderful young woman. She has worked two different jobs in the last two years in order to help pay for college and has managed to maintain a rolling weighted average of 96.7 and a position as one of our top 10 seniors with regard to community service hours." She is on the Principal's list and a member of the National Honor Society, Spanish Honor Society and Yearbook Club. A member of the varsity fencing and soccer teams, Kelcey is a four-year scholar athlete. She is also an assistant volunteer coach with the South Huntington TOPS Challenge Soccer League.

"Both in and out of school, Kelcey consistently gives of herself and behaves in an honorable, compassionate and ethical manner, demonstrating the virtues that make for an outstanding citizen," said Legislator D'Amaro. "It is a privilege to recognize her for all that she does to enrich our community and make Suffolk County a better place to live. I wish her much continued success."
