County Industrial Development Agency at the start of the parade for the Third Annual Huntington Awareness Day on Saturday, September 22nd in Huntington Station. Spectators lined New York Avenue to show support for the community and hundreds attended the festival at the Northwest LIRR commuter parking lot. Legislator D'Amaro has served on the planning committee for the event since its inception. In recognition of their many contributions to the Huntington Station community, Brad Rosen and his family, owner-operators of the new Station Sports on Depot Road, were honored as Grand Marshalls and rode in the parade's lead car.

"Huntington Station is truly a proud community, and our 2012 Awareness Day was once again a great family event for residents and neighbors," said Legislator D'Amaro. "I applaud and thank the many wonderful volunteers, especially Co-Chair Dolores Thompson, who I know have worked tirelessly over the past year planning this incredible day."
