Huntington Chamber of Commerce's 2012 Government Reports Breakfast. In this unique forum, attendees remain seated as the elected officials move from table to table discussing issues of interest and concern.

Held at the Huntington Crescent Club on October 26th, the program also featured welcoming remarks by Chamber Vice President Larry Kushnick and Board Member Jon TenHaagen, as well as a presentation on Non-for-Profit Week by Sara Bluestone of the Huntington Community Council.

"The Huntington Chamber's Government Reports Breakfast provides elected officials with an opportunity to really learn what is on the minds of business and community leaders," said Legislator D'Amaro. "The event always provides for a free-flowing exchange of ideas, some of which can turn into legislation that benefits local and County residents. I thank Chamber Executive Director Ellen O'Brien, board members and the entire Huntington business community for an enlightening morning."
