Selden, NY – Legislator Tom Muratore (R-Ronkonkoma) recently attended a ribbon cutting ceremony to celebrate the Grand Opening of the Soundview Pregnancy Services’ new location in Centereach.

Soundview Pregnancy Services, a sister location of the Care Center in Islandia celebrates 25 years of providing care and hope to Long Island women facing unplanned pregnancies through education, compassionate counseling and practical assistance. Clients will find the same caring environment at Soundview Pregnancy Services, but now will now have the added benefit of free limited ultrasound services, according to Executive Director Doreen Jannson.

“I welcome Soundview Pregnancy Services to the community,” stated Legislator Muratore, who presented them with a proclamation. “Ms. Jannson and her staff of trained professionals provide much needed services for women, all confidential and free of charge.”
