Selden, NY –Legislator Tom Muratore (R-Ronkonkoma) joined the Centereach Fire Department at their September 11 Memorial to honor the fallen heroes from that tragic day in American history. Many local elected officials, civic and scout groups participated as well.

“We will never forget that fateful day,” stated Legislator Tom Muratore. “Everybody who was alive in 2001 remembers where they were when they first heard the news that the Twin Towers were hit. It is important that we continue to honor the victims and heroes who perished 13 years ago, so that we may keep their memories alive and stay strong as a nation.”
