Legislator Muratore-“Schedule a Mammogram Today”

Selden, NY – In recognition of Breast Cancer Awareness Month, Legislator Tom Muratore (R-Ronkonkoma) encourages all women to get mammograms.

“Many women put the health needs of family members before their own. When you take care of yourself, you’re taking care of your family. Early detection can mean earlier treatment and cure,” stated Legislator Tom Muratore. “I urge all women to consider their own health by scheduling routine mammograms. And men, please encourage your wives, mothers, sisters and daughters to do the same.”
