Selden, NY –Legislator Tom Muratore (R-Ronkonkoma) joined local community leaders this week at the Centereach Civic Association's Annual Christmas Tree Lighting event.

The tree, located at the Capital One Bank on Middle Country Road in Centereach was illuminated in the presence of children and adults alike. "It was great to see members of the community gather to start off the holiday season together," stated Legislator Muratore. "The Centereach Civic Association does a great job with this annual event. Local businesses donated cookies and hot chocolate, and there was even a visit from Santa Claus. The evening resulted in many smiling faces."
