Selden, NY - Suffolk County Legislator Tom Muratore (R-Ronkonkoma) recently joined local elected officials and community leaders to celebrate the Grand Opening for Bethpage Federal Credit Union's newest branch in Centereach.

In 1941, Bethpage Federal Credit Union first opened its doors to service Grumman Aerospace employees. They began serving all Long Islanders directly after a community charter application was unanimously approved in September, 2003. As the 33rd full service branch, BFCU's Centereach location is the flagship Central Hub in Suffolk County.

"It is an honor to recognize a business that has such an extensive history here on Long Island," stated Legislator Tom Muratore, who presented a proclamation to bank President and CEO Wayne Grossé. "Whether providing more jobs, auto loans, or mortgages to potential

homeowners, Bethpage Federal Credit Union's presence in our community is a boost for economic development. I welcome them and wish them much success."
