Legislator Muratore commemorated the event by presenting Certificates of Recognition to the owners of Nicolls Professional Park, as well as the Stony Brook Medicine group. “An evening of heavy rain did not thwart the energy and enthusiasm for the Grand Opening celebration of this medical building,” stated Muratore. “Developing this complex provides conveniently located quality health care, which is a major boost to our local community. I congratulate Nicolls Professional Park and Stony Brook Medicine on this venture, and welcome them to Centereach.”
