Please Support Legislator Muratore's Toy Drive to Benefit Stony Brook Children's Hospital

Selden, NY –Legislator Tom Muratore (R-Ronkonkoma) is partnering with Full Throttle Magazine's Toy Drive this holiday season, and has designated his district office in Selden as a donation drop-off center. Full Throttle Magazine of New York is collecting new, unwrapped toys over the next few weeks. In December, they distribute the toys as Christmas gifts to patients at Stony Brook Children's Hospital.

"This is a season where we should not only be thankful for what we have, but to help those less fortunate," stated Legislator Muratore. "What provides more joy and holiday spirit than giving a child a new toy? Please support my drive by dropping off a new, unwrapped toy, game, puzzle, or even a piece of sports equipment. Thank you in advance for your generosity, and we wish everybody a joyous holiday season," concluded Muratore.

The drop-off location is 325 Middle Country Road, Suite 3 in Selden (intersection of County Road 83 in the Selden Plaza Shopping Center), Monday through Friday from 10:00am-4:00pm. Toys will be accepted now through Monday, December 12, 2015.
