Selden, NY – Today, Legislator Tom Muratore attended the Town of Brookhaven's Annual Senior Citizens' Picnic, held at the Longwood Estate in Ridge. The festivities included barbecued food, vendors offering services to the senior population and a disc jockey playing tunes that kept many guests on the dance floor.

Legislator Muratore had the opportunity to meet and greet several of the senior groups from his district. "What a perfect, sunny day for a picnic. One of my favorite tasks as a Legislator is speaking with my constituents to hear their concerns, as well as inform them of services available through the county," he stated. "Many seniors aren't even aware of the Senior ID cards available at each legislative office, which offers discounts on the Suffolk County Bus System and Fire Island Ferry."

For information regarding the Senior ID card, or for any other county related questions in the Fourth Legislative District, you may contact Legislator Tom Muratore by phone at (631) 854-9292, or by email at tom.muratore@suffolkcountyny.gov.
