Legislator Martinez Honors Volunteers of the East Brentwood Fire Department

Hauppauge, NY- Legislator Monica R. Martinez awarded proclamations at the East Brentwood Installation Dinner on Saturday, May 10, 2014. Volunteers were recognized for their outstanding service and commitment to the Brentwood Fire District. The East Brentwood Fire Department's jurisdiction encompasses Eastern Avenue to Caleb's Path and from Suffolk Ave to Route 495 in Brentwood.

Legislator Martinez presented a proclamation to Chief Frank Reilly for his 55 years of service. "It takes a special kind of person to do what you do; a person with human compassion and understanding. I am honored to be standing here before you as I present this proclamation. The amount of years and your dedication to the department is both admirable and appreciated," said Legislator Martinez. "I am more than certain you have been an instrumental role model to our younger volunteers and that they have been in good hands under your leadership," added Martinez.

"The residents of this community put their trust in you. You demonstrate your commitment to them day in and day out. They are very lucky to have you and so am I. As a resident of Brentwood, I thank you for all that you do!"

Legislator Martinez also had the honor of swearing in members of the East Fire Department to higher ranks.
