Legislator Martinez Advises Residents of Road Work in Central Islip

(Brentwood, NY): Legislator Monica R. Martinez advises residents of road work to take place on Carleton Avenue by the LIRR crossing in Central Islip on July 25-26, 2015.

The office of Legislator Martinez received numerous calls regarding the condition of Carleton Avenue by the LIRR train crossing. At the behest of residents, Legislator Martinez reached out to the Long Island RailRoad (LIRR) for assistance. "Thank you for bringing the issue to our attention earlier this month on behalf of your constituents. Because of the condition of, and the need for emergency repairs, we have expedited the replacement of the crossing from this fall to next weekend," stated Hector Garcia, spokesperson for LIRR Government & Community Affairs.

"I am so pleased to know the repairs will be expedited. The LIRR has been an instrumental partner in listening and responding to constituents' concerns of the 9th LD," stated Legislator Martinez.

The work will begin the weekend of July 25-26, 2015. On Saturday, July 25, beginning approximately 1:00 AM through approximately 1:00 PM on Sunday, July 26. Please be advised that due to repairs, trains will turn in at Brentwood and passengers will be bused between Brentwood, Central Islip & Ronkonkoma. The LIRR will put out a special public timetable to alert customers of changes.

If you have any questions, please call the Legislator's office at 631-853-3700.
