Legislator Monica R. Martinez Attends National Night Out

(Bay Shore, NY): On August 4, 2015, Legislator Monica R. Martinez attended "National Night Out," an event organized and hosted by the Suffolk County Police Department's 3rd Precinct.

"National Night Out" is an annual community-building campaign that helps build a relationship between community members and their local police officers in an effort to make our neighborhoods safer. This event is meant to increase awareness on police programs in communities, such as drug prevention, town watch, neighborhood watch, and other anti-crime efforts.

During the event, many children enjoyed arts and crafts, manicures, and games provided by United Healthcare while others entertained themselves in the bounce house and dunk tank. Residents were able to meet new people and gain information on new programs and resources that are available to ensure their safety. " 'National Night Out' seeks to enhance relationships between residents and law enforcement, while bringing a true sense of community and providing an opportunity to bring police and neighbors together under positive circumstances," stated Legislator Martinez.
