Legislator Monica R. Martinez Attends Pronto of LI's Annual Thanksgiving Breakfast Fundraiser

(Edgewood, NY): On October 1, 2015, Legislator Monica R. Martinez attended Pronto of Long Island's Annual Thanksgiving Breakfast fundraiser at Bella Verde restaurant.

Pronto's mission is to feed the hungry, clothe the needy, and provide healing and hope to everyone who walks through their doors. The non-profit organization has been improving the lives of the less fortunate on Long Island since 1969. Over the last several years, the work of Pronto has continued to grow, offering not only its traditional ministries of food, clothing, furniture, and financial aid but also ESL classes, vaccinations and other health services, and computer training.
