## Legislator Martinez Awards Certificates to Brentwood High School Students in Recognition of their Achievements

(Brentwood, NY): On December 18, 2015, Legislator Monica R. Martinez visited Brentwood High School to present 24 students "Certificates of Recognition" for their volunteerism during the Annual Hispanic Heritage Month celebration and "Christmas in the Plaza" event which was held in Brentwood and Central Islip respectively.

Legislator Martinez enjoyed recognizing students from Brentwood and Central Islip as they demonstrated their commitment to go above and beyond with their time, their hard work and their enthusiasm.

In acknowledging the great efforts of these young adults, Legislator Martinez has stressed the value of participation in civic engagement and working with government at an early level in education. The Legislator views the joint participation of government and the students in these endeavors a step towards a brighter future of cooperation between the fields of education and government.
