**LEGISLATOR MONICA R. MARTINEZ PARTICIPATES IN “HOPE DAY” TO HELP GIVE
BACK TO THE COMMUNITY BY SPREADING LOVE AND COMPASSION AT THE
BRENTWOOD RECREATIONAL CENTER**

(Brentwood, NY): On Saturday, June 4, 2016, Legislator Monica R. Martinez partnered with community based organizations and Clergy for “Hope Day”. Hope Day took place at nineteen (19) other sites throughout Suffolk and Nassau County, NYC, and NJ in an effort to reach many communities as possible.

Families enjoyed live entertainment, games and activities for children and were provided with a delicious lunch. Many families participated in prayer, free haircuts, and family portraits. “It gives me great pleasure to have partnered up with the Clergy and organizations from my community to provide a Day of Hope. I saw families in need of assistance and it was gratifying to see smiles on many of their faces as they were given assistance and guidance,” stated Legislator Martinez.

This event would not have been possible if it weren’t for the Site Coordinator, Rosemarie Jones, Priscilla Jimenez, the arrangement Coordinator, Hope Day Representatives, and all the sponsors for “Hope Day.” Legislator Martinez concluded by saying, “I would like to thank Pastor Joel Perez, Pastor Angel Falcon, Pastor Bishop Robinson and all of the volunteers for taking their time to serve others.”

Pastor Robinson, Anthony Pellele, Legislator Martinez, and Pastor Perez
